BEDDING PLANTS
GROWERS OF PLANTS FOR THE TRADE**

TO OUR PATRONS

To Be Read Before Ordering

NON-WARRANTY

We wish to be distinctly understood that, while we take every precaution to have all plants and bulbs true to name, we give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of any of the plants or bulbs we send out, and will not in any way be responsible for the crop. Every order we receive will be executed on these conditions only, and they must be accepted by the customer when ordering goods.

WE AIM to get new customers and keep old ones, and by honorable dealing to satisfy both customers and ourselves.

CONDITIONS OF SALE

THIS LIST CANCELS ALL PREVIOUS QUOTATIONS. All offers are made subject to goods being unsold. These prices are for a strictly wholesale trade. C. O. D. orders must be accompanied by one-half of the amount of order.

The plants named are offered at the rates quoted, provided not less than fifty of any one variety of vegetable plants, and not less than five of flower plants are taken. Where less than these numbers are ordered we reserve the right to charge retail prices. Special prices are made for large lots.

No charges are made for boxes or packing, nor for delivery to express or freight office, on orders amounting to \$1.00 and over; on orders of less than \$1.00, 15 cents must be added to pay for packing.

AS HERETOFORE, ALL SALES AND QUOTATIONS ARE MADE ON A STRICTLY CASH BASIS, REGARDLESS OF THE RESPONSIBILITY OF THE CUSTOMERS. We make low prices, guarantee full count, and render the best possible service in every way.

All claims must be made immediately upon receipt of goods; later claims will not be considered. When loss occurs through our fault we will take pleasure in correcting it, but we cannot be held responsible for damages occurring in transit.

We cannot hold plants on an inquiry without a guarantee of acceptance.

Orders for growing crops accepted subject to crop failure, shortage or other causes beyond our control.

We prefer to ship orders by express; they then travel at a special plant rate, which is considerably lower than regular merchandise. It is not necessary that charges should be prepaid to secure this rate. We have the Adams and Wells Fargo Express.

We take all possible means to keep every variety separate and true to name.

To all who are interested in horticulture we extend an invitation to visit our establishment at any time, and to inspect our stock, feeling confident that they will find it up to the highest standard of perfection that is possible to attain.

We are located 12 miles north of Baltimore. Get off at *Cowenton* on the Philadelphia division of the B. & O. R. R., or at *Chase* on the P. B. & W. of the Pennsylvania system. Send us word of your coming and we will meet you at either station.
